The Bible
in Literacy 

A fun, fast-moving and interactive approach to the Bible for your Primary-aged pupils

Engage your Primary-age pupils in an interactive journey through the Bible. Literacy work activities are designed as a fun tool for grammatical awareness, sentence construction and punctuation, all through an overview of the Old and New Testaments. Combining extracts from the 'Lion First Bible' as the literacy text and with an interactive CD providing the ICT links using Smart Note Book Software, this is a resource you will enjoy using.

All this for just **£145**
plus delivery charges
